

I have a dream to make this world a better place.

I would like to stop wars because people lose their family members.

I wish I could help homeless people. I would like to give poor people clothes, water and food.

I would like to put up signs that say "stop smoking!" It's bad to ^{pollute} smoke the air because it has chemicals and it smells bad.

The pollution comes from cars, chimneys, smoke and trucks. Pollution is made out of steam, smoke and dirt.
