

Name: monette 2nd — a four leaf
clover story

Date: 5/15/14

once upon a time Rosie was having St. Patrick's day. homework.
She went to the park to find 3 and 4 leaf clovers. She ~~found~~
Seven 3 leaf clovers. Rosie also found one 4 leaf clover. the next
day she pulled out her 3 and 4 leaf clovers. She ~~found~~ out
that everyone had less than her. When her teacher saw how
many Rosie had she said that she was the only one who
found^a 4 leaf clover. Rosie was very happy. Then the
teacher said it was St. Patrick's day. the teacher said that
if you find a 4 leaf clover you have good luck.
the next day Rosie said "I found out that four leaf
clovers are good luck." "I got a new set of tea cups.
