### The four-leaf clover

One sunny day there was a sneaky leprechaun named Sneaky Bone. His name is sneaky Bone because he is sneaky.

One day Andrew and his friend Chris went looking for a four-leaf clover but Sneaky Bone stole the last one. When they heard the news they went into the forest where he lived.

On the <sup>way</sup> to the forest they looked for sneaky Bone. Meanwhile Sneaky Bone took the four-leaf clover.

When Andrew and Chris got into the forest was empty. Soon they reached his lab and had a big fight.

After the fight Andrew and Chris won. Soon they had luck and lived happily ever after.
